<i>Muddy Recess</i>	Sun, Rain, Wind and Snow	Happiness
I love the mud! I do! I do! I love to squish it on my shoe! To slip! To slide! Through puddles fast, If only All this mud Could last!	On a sunny day I'm happy On a sunny day I smile Flowers bloom in the sunlight We play outside And we go And look for the butterflies On a rainy day I'm happy On a rainy day I smile Hills and trees Look fresh and green And I see Rainbow colored Umbrellas in the streets On a windy day I'm happy	Happiness is something if you give it away, you give it away, you give it away. Happiness is something if you give it away, then it comes right back to you. Oh it's just like a magic penny. Hold on tight and you won 't get any. Lend it, spend it, give it away, then it comes right back to you. A hug is something if you give it away,

	<p>On a windy day I smile All the leaves Shake and fly And my kite Is flying high in the sky</p> <p>On a snowy day I'm happy On a snowy day I smile Snowflakes fall On my window Frozen leaves Shine like silver stars In a dream</p>	<p>you give it away, you give it away. A hug is something if you give it away, then it comes right back to you</p> <p>Oh it's just like a magic penny. Hold on tight and you won 't get any. Lend it, spend it, give it away. Then it comes right back to you.</p> <p>Love is something if you give it away, you give it away, you give it away. Love is something if you give it away, then it comes right back to you.</p> <p>Oh it's just like a magic penny. Hold on tight and you won 't get any. Lend it, spend it, give it away. Then it comes right back to you</p>
