The Needs of an Animal	Let It Snow
<p>For animals to stay alive They need 4 things I would not lie! They need food So they can grow And they need water Just like so. They need shelter, A place to live. And they need air... They breathe it in. It's our job to give animals care! Sing their needs if you dare Need 1: food, need 2: water, need 3: shelter, need 4: air</p>	<p>Oh, the weather outside is frightful, But the fire is so delightful, And since we've no place to go, Let it snow, let it snow, let it snow! It doesn't show signs of stopping, And I brought some corn for popping, The lights are turned way down low, Let it snow, let it snow, let it snow!</p>
