BICHARAF EL AIS AN AUB INITIATIVE

Bicharaf el AIS is a club that was initiated by four AIS students in 2011 who attended the AUB Bicharaf Leadership Camp and since the camp's conclusion, these enthusiastic students began creating academic integrity awareness at our school through this club.

The students used the tools they have learned from the Bicharaf workshop and worked effectively to implement those tools at their school in order to make a change.

**HONESTY
OPENNESS
ACCOUNTABILITY
FAIRNESS
TRUST**

are the values of academic integrity that are promoted by the Bicharaf el AIS club whose mission is to teach students and teachers what they can do to improve the culture of integrity on AIS campus in a proactive, positive way.

Bicharaf el AIS promises to continue growing and support AIS students and staff in nurturing more ethical and responsible citizens – citizens whose knowledge is not copied and pasted but truly earned !

This declaration is found on every exam paper and must be signed by every student prior to beginning the exam.
